Thanks for sending those, Chris. I answered questions for the OA doc and the letter in Sharepoint, but attached them here as well. Here are my answers for the Enc 1 decision doc that I couldn't make work in Sharepoint. I responded to questions that I thought needed an answer, or to comments I disagreed with. If I didn't respond, it was clear to me and I agreed with it and will make the change. Let me know if you have questions. Talk to you soon!

Again, please note that our comments may change a little after today's mtg. Plus, I neglected to include Sweeney and only sent it to him late yesterday so he was rushed. Tom G did comment however.

I am trying to respond to your comments so you'll have something to look at before we talk later, but Sharepoint keeps crashing, as it was last night. Can someone **please** send me copies of your comments as attachments as soon as possible? I can't get past the first 2 comments without it crashing. Thx.

This link is to watershed branch's and OGC comments on the OR list and public solicitation.

We may have a few tweaks to our comments on Friday morning (after WB staff meets late Thursday to discuss)
